ANALYSIS FOR STATE OF MARYLAND

[« back](#)**Statute:**[MD. TRANSPORTATION CODE ANN. § 8-204](#)**Summary:**

Maryland does not have a statute expressly authorizing highway PPPs. According to a 1996 Attorney General opinion referenced in the annotations to this statute, the Maryland Transportation Authority has authority to construct toll roads using certain

forms of PPPs.¹ Additional legislative authority may be needed, however, depending on the form of the transaction. There is also no express provision regarding the acceptance of unsolicited proposals for highway projects.

¹ See MD 81 Op. Att'y Gen. (issued 2/2/96).
